

PrimaAlumni

Prima Think Alumni Association

We take inspiration from the World's best designers, and create a unique experience. Design and deliver new digital experiences, revenue streams and business models to meet rising customer expectations and accelerate your growth.

Suresh Singhania

With businesses across the region looking to capture the economic rebound, Suresh's experience and knowledge in digitally enabling organizations and developing Prima's go-to-market strategies around software and services helped propel us, our customers, and partners to the forefront of the digital economy.

ALUMNI SERVICES

We create and manage alumni networks for Colleges. We provide re-enrolment strategies, alumni engagement and more, in a range of tailorable packages to suit your college's goals. Find out how our services have helped colleges increase re-enrolments, create banks of testimonials and alumni volunteers.

[Find out more.](#)[Find out more.](#)

DESTINATION SURVEYS

Prima Alumni provides destination surveys for Further Education Colleges. Our telephone surveys gather destination data to comply with the requirements of the ILR. What's more, our benchmark data of around 50,000 destinations from across the UK allows your College to demonstrate the efficacy of its courses.

ALUMNI CONVERSION APP

We source and display multiple, course-specific testimonials directly to visitors browsing your website. Delivered via a pop-up that requires no changes to your page design and guarantees to get noticed. Providing social proof right on your website course pages

Maithila Sharma

Delighted to be working with Think Alumni. An alumni solution has been part of our strategic plan for some time so we're very excited to be using Think Alumni's expertise to show our alumni that their former tutors still have something to offer them.

We take inspiration from our rich experience. Design and deliver new digital experiences, revenue streams and business models to meet rising customer expectations and accelerate your growth.

Sanjay Khurana

He is the Founder, Chairman and Managing Director of Persistent Systems since its inception and is responsible for building the Company. He had greatly contributed to where the company stands today, without him there would be no Persistent Systems.

A screenshot of a web browser window showing a profile editing form. The browser has multiple tabs open, including 'localhost', 'WhatsApp', 'Welcome', 'Screen C...', and several other 'Screen C...' tabs.

The main content area displays a dark-themed website for 'Prima Thinkers' with a banner stating 'We take inspiration from experience. Design a unique business model for your growth.' A sidebar on the left contains a button labeled 'Tell us more about you'.

A modal dialog titled 'Edit Profile!' is centered on the screen. It contains the following fields:

- Username is uneditable:
- Email Id:
- Full Name:
- Qualification:
- YOP (of latest enrollments):
- Date of Birth:
- Edit password (or Enter current password):

At the bottom right of the modal are 'Cancel' and 'Update' buttons.

The taskbar at the bottom shows the Windows Start button, a search bar with the text 'Type here to search', and various pinned icons for Mail, File Explorer, Task View, Edge, File Explorer, and Camera. The system tray shows the date and time as '10:18 PM 1/9/2022'.

Welcome Tanmay Bisen!
